

## PREMIUM SHRIMPS

Bizrak Impex is a trusted exporter of premium-quality shrimps sourced from India's finest aquaculture farms. Our range includes Vannamei, Black Tiger, and Sea White shrimp — each processed under strict hygiene and quality standards.

---

We use state-of-the-art facilities with IQF (Individually Quick Frozen) technology to preserve freshness, flavor, and nutritional value. Our shrimps are free from preservatives, processed under HACCP-certified conditions, and meet EU and FDA export regulations.

From frozen raw to cooked and value-added shrimp, we supply customized grades and packaging based on client needs. With Bizrak Impex, you get seafood that combines freshness, taste, and trust — from India's coasts to the world's kitchens.
